

Private Lesson Sign-Up Form

Private lessons are an essential component of musical and instrumental development. Typically a private teacher will give your student an individual lesson in a private lesson room during class. This allows for individual, focused attention to the needs of the student, allowing for them to learn the most advanced solo material, leading to the strongest and most consistent progress as a musician and musical athlete. Lessons also give your student the greatest chance at higher musical achievement, such as placement in the All-Region Orchestra, and/or high achievement at the Solo & Ensemble Festival.

Our lesson teachers are highly qualified and experienced. In addition to teaching, they regularly perform as professional musicians throughout the metroplex and beyond. Their schedules may be extremely limited so lessons will be arranged on a first come/first served basis.

Private lessons are highly encouraged for all members of the orchestra. Our focus with the Hebron Orchestra is individual progress combined with team achievement.

Cancellation Policy

Students/families are expected to communicate absences to the private lesson teacher in a timely manner. Lesson fees are subject to the private teacher's cancellation policy. It is courteous to communicate a lesson absence at least 24 hours in advance of the lesson.
